

# VIRTUAL VOLUNTEER OPPORTUNITIES

## Self Help Desk Hotlines

Provide legal information and referrals to self-represented litigants on domestic matters from the comfort of your home or office. Shifts available daily, 9 a.m. - 12 p.m. A separate bankruptcy hotline operates on the first Friday of every month. Training provided.

## Mentorship & Trainings

Offer guidance and assistance to volunteers on your subject area expertise. Train members of the legal community and educate the public on different areas of the law.

## Translations

From working with our non-English speaking clients on case matters to answering emails and providing translation of our outreach materials, bilingual volunteers provide a much needed service to under-served members of our community.

## Legal Research

Conduct legal and factual research.

## Brief Service and Advice

Many pandemic and disaster related legal issues (e.g., housing, consumer) are resolved with an attorney sending formal correspondence or addressing matters over the phone. Training provided.

## About Us

The Pro Bono Project's continuing mission is to provide free, quality civil legal services to the underserved members of our community. Our work today is as important as at any time in our thirty-five year history. By engaging volunteer attorneys, paralegals, law students, and private citizens to render pro bono services, The Pro Bono Project serves clients in Orleans, Jefferson, Plaquemines, St. Bernard, St. Tammany, and Washington parishes who otherwise might not have access to the civil legal help they need.
